ARTWORK

PORTRAITS - People and Pets

I have been painting portraits for 20+years. Commission me to paint portraits of friends, family and pets! Portraits can be painted on canvas or wood in a variety of sizes.

ABSTRACTED FIELD PAINTINGS

Inspired by Mark Rothko's field paintings, this series is about the mixing of large fields of color. This work is available in sizes that range from 3 x 3 feet to 5 x 5 feet.

PRAIRIE CIRCUS SERIES

This series incorporates fantastical imagery interlaced with dreamy landscapes and fueled by the influence of abstract expressionism, evoking a playground of nostalgia. Incorporating compositions inspired by the abstract and pop art movements a glittery fantasy world is created.

LANDSCAPES

These landscapes are based on photos I have taken while traveling through Alberta, Saskatchewan and British Columbia. They are available in a variety of different sizes and are based on mountain and prairie scenes.
